Private Attorney General Anthony Williams has been perfecting law since 2002. He has an unorthodox approach to law and champions the rights of the poor and the

American people. His dedication to justice and truth is unparalleled and he is one such individual that holds our public servants accountable for their actions. Mr. Williams did his studies at Kaplan University and continued his own education through extensive and exhaustive research that has given him world wide recognition for being fearless in the courtroom and uncompromising in his principles of honesty, integrity, faith in Yahweh and service to the people. Mr. Williams has taken on the U.S. Government, FBI, Sheriff departments and State governments in defense of the rights of the American people.
